How to Get Started

Ask a staff member about these services or explore our digital directory to learn more. Take the first step toward accessing the resources you need today! Use your cell phone camera to take a picture of this QR Code and follow the link.

Family & Children

Programs that assist families with childcare services, parenting resources and child and youth welfare support to ensure the well-being of children, youth and families.

Housing & Shelter

Emergency shelters, transitional housing, homeless support services and affordable housing resources designed to help individuals and families move toward stable, more permanent housing.

Employment & Training

Job training, career development and job search resources designed to support adults and youth in gaining employment and financial stability.

Food Assistance

Food programs like CalFresh and WIC that help families and individuals access nutritious food through EBT cards and local food pantries, distributions, and hot meal services.

Health & Dental

Access to healthcare through programs such as Medi-Cal and Covered California; includes listing of medical and dental providers that accept Medi-Cal and/or provide low cost or sliding scale services.

Aging & Disability

Programs offering in-home care, assisted living resources, meals, transportation, social activities and other resources to support the health, independence and engagement of older adults and people with disabilities.

Mental Health & Substance Use

Services offering support, treatment, and resources to promote mental well-being, and assist those affected by mental health or substance use disorders.

Immigrants

Legal assistance for immigrants, language services and community resources that support immigrants in navigating to residency, citizenship and community integration.

Legal

Free and low-cost legal aid programs providing assistance with civil legal matters including housing disputes, public benefits, immigration and family law issues.

Veterans

Specialized resources for veterans and their families including healthcare, housing assistance, job placement services and benefits guidance.

Victim Services & Violence Prevention

Support for victims of all forms of violence to aid survivors through shelter, counseling, legal aid, and safety planning to help individuals heal and rebuild safely.

Disaster Response & Other

Community disaster preparedness, response and recovery information and resources, programs and offerings that fall outside other listed categories, including financial assistance and support resources.
